Students must select courses totaling 15 credits. Exceptionally, and with home university approval, a 12-credit semester may be authorized. Applicants must select 10 courses: 5 primary courses for the semester schedule and 5 backup courses in case of conflicts, cancellations, or unforeseen circumstances. Courses have no prerequisites and may be selected from any school or department. Field Trip Courses

Field Trips are credit-bearing academic experiences that may award credits in the following disciplinary areas: Art History (AH), Cultural Studies (CULSTU), Humanities (HUM), Italian Studies (ITLAN), Anthropology (ANT), Photography (PHOTO), Art (ART), Culinary Studies (CNARYSTU), and Interdisciplinary Studies (INTDISTU).
Upon approval from their home university, students must indicate the specific course code under which they wish to receive credit, in order to be assigned appropriate academic training and assessment aligned with that discipline.

Each Field Trip includes:
• an ad hoc syllabus, tailored to the selected academic area;
• assignment to a designated instructor responsible for instruction and assessment.

Should a specific destination fail to meet the minimum number of participants, Unicollege reserves the right to activate an alternative destination, while ensuring full academic and thematic consistency with the approved syllabus. This decision is final and not subject to appeal. Full details of the experience — including travel dates, schedule, assigned instructor, and logistical information — will be communicated to students prior to the start of the semester.
An additional fee of **€ 200,00** applies and includes transportation, a light meal, and academic instruction.

☐ **Field Trip to Siena**
(3 US/Canadian Credits) – *additional fee € 200,00*
(includes transportation, light meal, instruction)

☐ **Field Trip to Pisa**

Independent Study Courses

Candidates who wish to pursue Independent Study courses must submit below a request by specifying: Area (e.g., Art History – AH; Cultural Studies – CULSTU; Humanities – HUM; Italian Studies – ITLAN; Anthropology – ANT) and Course level (e.g., 200, 300, 400). Once the course parameters have been defined, Unicollege will assign a designated instructor and issue a syllabus, which will later be recorded on the student's official final transcript.

Independent study courses do not typically include regular class lectures; instead, they consist of weekly (or bi-weekly) meetings with the assigned instructor, either in person or online. These courses carry a standard value of 3 US/Canadian Credits, with the possibility of awarding up to 6 US/Canadian Credits, as jointly authorized by both the home institution and Unicollege.

Independent study courses are generally granted to students with a GPA of 3.0 or higher.
Due to the individualized mentoring format, Honor Courses require an additional contribution of **€ 450,00** for a 3-credit course. Proposed area and course level must be indicated below and later confirmed by Unicollege.
